Business Report

Mac applauded the efforts of all GSM members who helped out Granitecon. The show would not have been as good without all your assistance. This year we had 76 contestants with 331 models on display in the showroom. Paul was able to set up his food truck without any impediments from the city of Manchester. A big thanks to Rod for getting all the paperwork (all 14 pages) squared away! Paul definitely wants to return for 2019.

After the unfortunate event of a stolen model at Baycon this month, Bob suggested that we explore ways in which we can police Granitecon. To have a model stolen at a show is very damaging for all involved. It also has the potential to harm the reputation of the club, as well as the future attendance of the show. This will be an ongoing discussion as we move into 2019.

Russell received news from the vendor coordinator for Noreastcon 2019 (April 12-13). Vendor tables are available with discounted hotel fees. Mac and John Rauscher will be attending this regional IPMS show. It was suggested that a GSM vendor table could be set up for any members who would like to reduce their stash of kits. Russell showed some interest in the idea and is considering vending with that purpose.

Club Officer Elections:

Rod made a motion to vote on club officer nominees. The motion was seconded by Tom. GSM unanimously voted in favor of all standing officers and Russell Gosselin as the new club secretary. Congratulations!

GSM Group Build:

In the past we've had "Pass the Stash" and "Shelf of Doom" group builds. For 2019, Mac suggested we discuss a general theme group build. GBs can be difficult because ultimately, there are always a few modelers who will not build outside their genre. A theme is a little more inclusive, allowing for more participation from all modelers. The club unanimously voted in favor of a theme for 2019's GSM group build. A vote on what the theme will be will happen next month. Everyone should be taking some time think on some potential themes to bring to the next meet.

Yankee Swap:

GSM voted "YES!" in having another Yankee swap at next month's meeting. The gift must be valued at \$30 or lower. It must be wrapped. If it is a used or older kit, it should be complete with no missing sprues/ parts.
